

Product

Donated product arrives from the food drives, grocery and food distributors, growers and other sources of wholesome surplus food.

Food Banks

The Food Bank collects, inventories and inspects product for distribution to nonprofit partner agencies.

Nonprofit Partner Agencies

Food pantries, soup kitchens, homeless shelters, alcohol and drug rehabilitation programs, daycare centers for children, the elderly and disabled individuals, obtain food from the food bank to deliver to people in need.

People In Need

The Food Bank exists to help ensure that all people have access to food at all times....the working poor adults and families, children, elderly, mentally or physically disabled.
