

# ANNUAL REPORT

One in five Georgians is hungry and almost 30 percent of people served through Georgia Mountain Food Bank's (GMFB) partner agencies are seeking help for the first time in their lives. According to a June report by the Food Research & Action Center (FRAC), the fact remains that Georgia ranks as the seventh most food insecure state in the country.

At GMFB, we find these statistics unacceptable, which is why we work tirelessly with our more than 63 partner agencies to make an impact on hunger in our five county service area of Hall, Forsyth, Lumpkin, Dawson and Union Counties. A hunger free-tomorrow will take us all.
