The Empty Bowl Is On!
Page 4
The 9th Annual Georgia Legal Food Frenzy food and funds drive competition raised a record-breaking $852,090 supporting Food Banks across Georgia! GMFB would like to thank the 15 law offices and firms that together raised over $25,190 to help feed people in northeast Georgia! For the 5th consecutive year, Whelchel, Dunlap, Jarrrard & Walker LLP took 1st place; Stewart Melvin & Frost, LLP won 2nd place; Jarrard & Davis, LLP, in a close race for 2nd place, ended in 3rd. Regional Per Capita Points winner was the office of R.K. Adams Law.

As the unsettledness of February gave way to the uncertainty of March, Georgia Mountain Food Bank (GMFB) recognized the significant negative effects of the COVID-19 Pandemic on our inbound food supply. As the pandemic reached more communities in the US and around the world, we witnessed a decline between 40-50% in donated food, especially protein from Retail Partners (Grocery Stores). We were feeling the impact of severe disruptions to the national and global supply chain. We reached out to our friends in the poultry industry and they responded quickly.

GMFB would like to thank Perdue Farms, Fieldale Farms, Wayne Farms, Prime/Pak Foundation Food Group, Country Charm Eggs, Tyson Foods, and Pilgrim's Pride for generous donations during a historic time of need. We would also like to thank TOMATO THYME and Gordon Food Service for participation in the USDA FARM TO FAMILIES PROGRAM that has delivered over 183,000 pounds of farm fresh produce to us! These donations provided weekly produce to partner agencies and allowed us to do multiple community food distributions to people effected by the pandemic. Truly, these donors joined us in FEEDING HOPE TOGETHER!

GMFB Welcomes 6 New Members to the FY2021 Board of Directors

Community leadership is key in GMFB's ability to effectively carry out its mission of addressing hunger, health and quality of life by serving those in need throughout North Georgia. This is why GMFB is excited to announce the addition of six new community leaders to its 2020 board of directors, each dedicated to addressing the challenges faced by the Food Bank during these unique and often difficult times.

Each new board member brings with them a background of commitment to volunteerism and a desire for the continued improvement of north Georgia as evidenced by their previous board and community service. With roots entrenched in the region, each also brings determination of making it a better place for all in the place they have long called home. (see board member list)
RESPONDING TO COVID-19

As the Coronavirus continues to spread across our state, nation and the globe, Georgia Mountain Food Bank (GMFB) remains committed to serve people in need. Though our team is small and has had some challenges, we have been able to remain open and in full service operation mode.

We want to offer a special thanks again to the Georgia Defense Force and our A Team volunteers who have courageously and faithfully served along side of our staff. Operations Director Steve Mueller, has filled many rolls during these uncertain days and we offer a special thanks to Steve for his determination that no one should be hungry and “make it happen” spirit. We’ve partnered with several elementary schools, where administrators and staff volunteered their time to ensure families are connected with healthy and nutritious food through GMFB mobile pantries. Local partners such as Good News Clinic, Gainesville Housing Authority, SISU, First Baptist Church Gainesville, Georgia Mountain YMCA, St. Vincent de Paul, First Redeemer, John Paul II Mission, and Free Chapel have offered locations and volunteers for vital community food distributions.

Your support has never been more critical. The most important thing that we can all do is continue to make financial contributions that will make it possible for us to provide the help that is needed. There are many ways to help, just visit www.gamountainfoodbank.org/covid-19-response or call us at (770)534-4111. Also follow us on social media to stay up to date on the latest news, and remember to “SHARE” Georgia Mountain Food Bank with friends. Thank you for joining us in FEEDING HOPE TOGETHER!

Hall County Schools go BEYOND THE BOOKS

With a strong desire to engage the community to support Georgia Mountain Food Bank, Brad Brown/Assistant Superintendent For Human Resources and Cheryl Jones/Director of Nutrition joined forces to go “Beyond the Books”. Securing a donor that agreed to match funds raised up to $10,000, these two determined folks went to work! Their hard work and outreach to the Hall county community, not only met the match, but DOUBLED it, raising a total over $31,000. From everyone at Georgia Mountain Food Bank, and on behalf of all those fed through the outreach, we want to thank the family of HALL COUNTY SCHOOLS for this tremendous support, just when people need us the most!

FIESTA CABS

Goodness has its own reward. A big shout out to Mr. Edwin Aguilar, the owner of Fiesta. Fiesta Cabs is partnering with GMFB to help those in need with limited transportation be able to get to area food agencies. When GMFB calls, Fiesta Cabs transports the individual to the food bank for a PIN (Person In Need) box. The company then returns the individual back to their home at no cost. Truly, we Feed Hope Together.
Sheltering in place has been so difficult for us all, especially those working from home while educating and entertaining children! Unable to gather for the traditional EMPTY BOWL LUNCH bowl painting parties, we launched TRAVELING BOWL PAINTING PARTIES and more than 150 groups and families participated from across north Georgia! Georgia Mountain Food Bank would like to thank all of those that participated and send a special thanks to Sara and Patrick of The Art Colony for putting the project together, transporting and firing the bowls!

#FEEDINGHOPETOGETHER!

Last year over 1,000 people gathered to support GMFB at the annual EMPTY BOWL LUNCHEON, and though we can’t gather together again this year, the community tradition of the EMPTY BOWL will go on, TUESDAY, SEPTEMBER 22, 2020! Through the technology of virtual meetings and broadcasts, the Empty Bowl Luncheon will feature, the release of a new video, recognition awards and a VIRTUAL auction of celebrity bowls including a tribute to Healthcare Heroes, Jim Walters, Riley Green, Chase Elliot, Malcolm Mitchell, and another great piece by Frank Norton, Jr. Boxed lunch meals will be provided by PERFORMANCE FOOD SERVICE and delivered by GMFB volunteers! Don't worry, we didn't forget about the signature keepsake bowls, a box of hand-painted bowls will be delivered with the meals to all local sponsors! Remember, your support is more critical this year than ever before! Find out https://www.gamountainfoodbank.org/emptybowl/ or call us at (770) 534-4111.

A NEW EMPTY BOWL TRADITION
Each year a group of professional designers put together a special t-shirt commemorating the annual EMPTY BOWL LUNCH. In an effort to find even more ways for children and families to be involved, we launched the EMPTY BOWL T-SHIRT DESIGN CONTEST. Children across north Georgia submitted designs to be shown on this year’s event t-shirt. We are proud to announce that Alexa Dillion, age 9, from Gainesville, is the winner and her design “Feeding Hope Together” will be shown on the event t-shirt and she will receive a $50.00 gift card. Each sponsor will receive event t-shirts as a part of the sponsorship packet. THANK YOU TO ALL WHO PARTICIPATED! #FEEDINGHOPETOGETHER!
